Re: Material Safety Data Sheets

Dear Sir, Ms:

You have requested copies of Material Safety Data Sheets (MSDS) for Clonidine products manufactured by Mylan. While 29 CFR §1910.1200 requires an MSDS for each product containing a "hazardous chemical", subsection (b)(6)(vii) provides an exemption. This exemption applies to pharmaceutical companies, which distribute products in solid, final form for direct administration to the patient or which are packaged for sale to consumers in a retail establishment. Therefore, Mylan is covered by this exemption; we are unable to assist you in your request.

If you have any further questions regarding this matter, please feel free to contact me.

Sincerely,

Dale L. Stemple
